Your entry is invited for the 25th Anniversary Kent Hop to be held on Sunday 20 August 2017 at Bethany School Playing Fields, Jarvis Lane, Curtisden Green, Goudhurst, Kent TN17 1LB.

A wonderful countryside location has been secured just outside the village of Goudhurst overlooking sweeping hillside views known as "The Capital of the Kentish Weald". An ideal setting for displaying your vehicle and for a traditional Kent Picnic.

Vehicles will first assemble at the site from 11am and after registration, at approximately 12 noon, a wonderful Kent countryside rally will commence.

This area of outstanding beauty looks and feels much as it has done for centuries featuring a host of peaceful small villages of weatherboarded houses, surrounded by orchards and farmland.

Exclusive collector rally medals will be issued to all entrants together with award winning certificates for various vehicle competition categories.

If you would like an additional rally medal for your passengers or friends then please indicate this on the application form.

Further details of this exciting rally will be sent by completing and returning the application form together with the (1982) fee of just £5 per car.

**Event covered by M.M.O.C. Public Insurance.**

Entrants are responsible for insuring their vehicle against third party risks including for off-road, display and rally use.

**Dogs allowed but must be on lead at all times**

*If you would like a stall pitch at the event then please contact the Treasurer for details.*
